Abstract

1. Introduction

2. Background

3. Datasets

4. Computing Environment
   4.1 Hadoop Configuration
   4.2 Programming Example
   4.3 MapReduce Examples
   4.3.1 Standard Example
   4.3.2 Your Example

Assignment 1

Assignment 2

5. Machine Learning

Assignment 3

6. Simulation, Results and Discussions

7. Conclusion

Acknowledgement
