

Pet Partners Team Training Course
Do you want to visit people in need?
Would you like to incorporate animals into your visits?
Take this opportunity to learn how!

Pet Partners® are person-animal teams who have taken training about how to visit people in hospitals, nursing homes, schools, etc. **Pet Partner Handlers** are not required to have an animal in order to take the course or to be registered.

If you would like to become a **Pet Partner**, here is an exceptional opportunity:

Step1: Pet Partners Course (12 hours)

This course is designed for human handlers ONLY. NO PETS ON THIS DATE.
Minimum age is 10 years (student less than 17 must have parent onsite).

Participants will be able to work with any registered Pet Partner animal after completion of course and screening.

Date: **Saturday, April 10** **Time:** **8:30 am – 8:30 p.m. (Bring lunch, dinner, and snacks or visit establishments nearby)**

***Evaluations with pets will be scheduled for a later date after this course.**

Event location: The Board Room
