

Aquatics Internship available!

Two indoor year-round and four outdoor pools are operated and programmed by the athletics section of Greensboro Parks and Recreation. The intern will assist in the programming and operation of the four outdoor pools and will be based out of the athletics administrative offices of Greensboro Parks and Recreation.

The individual in this position will acquire a greater knowledge of careers in aquatics management and will play an active role in planning for pool operations and programming. The intern will gain exposure to multiple areas within Parks and Recreation and will have the opportunity to receive certifications in Lifeguarding, CPR-AED for the Professional Rescuer, Water Safety Instructor, and Certified Pool Operator.

Internship Description:

Primary duties of the position include:

- Assist in the recruitment, hiring, and training of aquatic staff
- Assist with swim lesson administration and marketing
 - Process registrations
 - Respond to customer inquiries
 - Facilitate program evaluation
 - Oversee course record reporting to Red Cross
 - Evaluate instructors; provide feedback
- Conduct periodic facility checks and financial audits at pool facilities
- Participate in weekly aquatic staff meetings
- Develop and oversee Guard Start program during Guilford County Schools spring break week
- Assist as lifeguard, cashier, or manager at pools as needed
- Start Date: around March 10, 2008
- End Date: August 8, 2008 or after
- Pay Rate: \$7.02/hour

Requirements:

Current enrollment in a parks and recreation, exercise/sports science, sport management, education, or related program at a college or university. Interest in a career in aquatics programming or facility management. GPA of at least 2.5. Reliable transportation (position may entail travel to multiple locations on a given day). Prefer candidate with Lifeguard and/or Water Safety Instructor certification / experience.

To apply, submit a current resume to:

Phil Fleischmann, M.S. CPRP
Asst. Athletics Director / Aquatics Director
