

Position available on 9/22/08.

### Activity Assistant

Blumenthal Jewish Nursing & Rehabilitation Center has been the premier facility of choice since welcoming its first residents in 1965. Our Facility is managed by Choice Health Management Services, a well respected company with a proven track record of success. We are a 148 bed facility offering skilled nursing, rehab, and assisted living beds giving our facility a very diverse population. We are currently taking applications for a full time Activity Assistant. The Activity Assistant works along side the Director of Activities in planning, organizing, developing and directing daily activities for our residents, ensuring that the recreational, physical, intellectual, spiritual and social needs of the individual resident are met in accordance with all laws, regulations and standards. Documentation skills in long term care is preferred. Interested candidates must have a positive, professional, attitude and be willing to go the extra mile in order to meet our residents needs. Must be available for a 40 hr. work week Monday-Friday with some weekends required. A four year degree in Therapeutic Recreation or related field is required.

Choice Health Management Services offers an excellent benefits package including: competitive pay, health, and dental coverage, vacation time, paid holidays, flexible schedules, educational assistance, short term disability, life insurance, 401(k) and much more!

For more information, please contact Andrea Smithey (Activity Director) 336-540-9991 or fax resume to 336-540-9416
