1000 Spring Garden Street
Greensboro, NC 27412

October 8, 2008

To Whom It May Concern:

This letter is to inform you that Camp Sealth is accepting interns for the summer of 2009. Interns fill a variety of summer staff leadership positions in our resident and day camp programs, and are supervised by year-round staff with extensive leadership and camp management experience. Specific details about internships are enclosed with this letter.

Camp Sealth is a traditional, coed resident and day camp for youth ages 4 to 18. Located on Vashon Island, Washington, Sealth has over 400 acres of waterfront property with forest, wetland and marine environment. Camp Sealth is operated by the Central Puget Sound Council of Camp Fire USA. For more information about any of our programs, visit our website at www.campfire-usa.org.

Camp Sealth has a long history of working with interns from colleges and universities across the country. Our program and location, flexibility in working with the needs of each individual, and commitment to making camp an amazing experience for campers and staff make Sealth the ideal place for a student to learn and grow. Several previous interns have continued their employment here through year-round positions after graduation.

For more information about internships, or to request an application, you can contact me at 206 463 3174 ext. 35 or carrie-k@campfire-usa.org.

Sincerely,

Carrie Kishline
Senior Program Manager
Camp Sealth
