

**The City of Raleigh Parks and Recreation Department Offers
Internships for the Summer of 2009**

The City of Raleigh, Parks and Recreation Department develops future parks and recreation leaders through our internship program. The purpose of the program is to gain hands-on experience in key areas of the field and to encourage talented university students within the area of Parks and Recreation. We take great pride in our internship program and hope that you might pass these opportunities on to interested students.

For information please visit parks.raleighnc.gov/internships or call 919-831-6640.
