

**DUKE UNIVERSITY MEDICAL CENTER  
LIVE FOR LIFE®  
Durham, North Carolina**

---

LIVE FOR LIFE at Duke University offers a unique internship opportunity to qualified undergraduate and graduate students seeking hands on experience in the areas of health education, health promotion, exercise science, fitness programming, data management and high-risk intervention.

Services at LIVE FOR LIFE includes health assessments, smoking cessation programming, Duke Fitness Club, One-on-One Consultations/Behavior Modification, Health Education Lending Library, Weight Management Programming, Stress Management, On-site Farmer's Market and Special Events Programming.

LIVE FOR LIFE at Duke University services a culturally diverse population of approximately 34,000.

Selected interns may have the choice of working in one specific area of our program or they can choose a more comprehensive experience and become involved in a variety of areas. We strive to find the best possible match for our program and for the student.

For more information about our program visit our web sites:

[www.hr.duke.edu/fitness](http://www.hr.duke.edu/fitness)

[www.hr.duke.edu/eohs/livelife](http://www.hr.duke.edu/eohs/livelife)

Qualified candidates should possess excellent written and oral communication skills and a high level of professionalism, as well as the ability to relate to a variety of educational levels and culturally diverse groups.

Duration of internship is 12-15 weeks/40 hours per week.

Please forward a resume, cover letter, three letters of recommendations and a copy of a college transcript to the following address:
