

My name is April Stang. I am the Recreation Manager of Forest Home, a Christian Camp and Conference Center located in the San Bernardino Mountains in the town of Forest Falls. Every summer, we go to the Universities throughout the United States to recruit students to come join our staff for the summer. This year I am trying something a little different. I would like to recruit for my department through universities that offer Recreation majors such as you. By doing so, I feel that my staff will be composed of individuals who have an interest in recreation and ministry and would someday like to make a career out of it. It also serves as a beneficial tool for students, as they will get ten weeks of hands on work experience in the recreation mission field. Please let me know the proper steps I need to take to begin this process and the proper channels to go through. Thank you for your time and I look forward to hearing back from you
