

The Greensboro Coliseum Complex is in charge of setting up events in all 9 of our facilities here at the Complex. We work 24 hours a day, 7 days a week setting-up and managing events. Events from concerts to meetings, and circus' to fairs.

I would like to offer the opportunity, for a student who might be interested in the entertainment and facility industry, to complete an unpaid internship right here in the backyard of UNCG. Please feel free if you would like me to create a longer explanation of exactly what this internship might include.

I feel that this is a wonderful opportunity for someone to complete their internship during the Summer or Fall semester. Let me know if there is anyone I can do for you.
