

Lighthouse Resort Services is a property management company that operates every aspect of resort management. From Guest Services and Activities to Security and Maintenance, we staff the integral year round and seasonal positions for The Currituck Club. The community is located on the beautiful beaches of North Carolina's Outer Banks, and boasts a nationally accredited golf course.

Each Year we select 14 qualified students out of over 100 applicants from universities throughout North Carolina and Virginia. We are looking for intelligent, well rounded, and hard working students who excel in customer service and show a desire to advance in the field of Tourism. During this comprehensive and competitive internship, you will be exposed to each level from entry to managerial responsibilities.

All applicants must be over 21 years of age by the beginning of the internship, possess a valid driver's license with a clean driving record, and commit to at least 450 hours. Experience living with others is a plus with our dorm-style housing.

Employees receive management training as they rotate through:

- Fitness Center
- Trolley Service
- Surf Shack
- Beach Valet
- Activities
- Security
- Banquets
- Maintenance

Projects and Assignments that will give practical experience:

- Scheduling
