

# SUMMER CAMP INTERNSHIP PROGRAM

The North Carolina Zoo Education Division is looking for creative, fun-loving, energetic individuals to assist in implementing Summer Camp Programs, as part of a team of talented and experienced staff and volunteers.

## Job description:

- Facilitate camp activities, including implementation of pre-written programs for rising 1st—rising 6th grade students.
- Delivering creative, interactive, age-appropriate learning experiences.
- Providing responsible care and leadership for camp participants.
- Preparing for and cleaning up after camp activities.
- Opportunities to experience other Zoo education programs.

## Eligibility Requirements:

- 3.0 GPA or special recommendation from academic supervisor.
- 1 letter of recommendation from university faculty.
- Successful applicants must be available to work between 8:30am and 3:00pm on the following dates.  
June— 18,19, 24, 25, 26,  
July— 9, 10, 15, 16, 17, 22, 23, 24, 29, 30  
August— 6, 7  
Additional dates will also be required, but these are more flexible, some weekend work.
- Reliable Transportation.

## Desired Qualities:

- Interest in teaching children, and environmental education.
- Ability to participate as a positive team member.
- Outgoing with good communication and organization skills.
- Dependable, cooperative and self-motivated.

## Benefits:

- Free admission to the zoo during internship period.
- Free training for environmental education programs.
- Discounts at Restaurants and Gift Shops
- Resume Enhancement
- Travel stipend \$200 for the summer.
- Additional scholarships may be available through application.

## Applicants should send cover letter and resume to:
