Stuart Schleien,

ROW Adventures is Idaho's largest outdoor adventure company providing guided whitewater rafting, canoeing and hiking trips in Idaho's and Montana's wilderness areas. ROW's Mission statement is "Sharing Nature – Enriching Lives" and we pride our selves in "Setting the High Watermark for Outdoor Adventure". With our 30 years of experience we have learned how to run safe, comfortable, fun and informative trips.

Every summer we look to hire new guides with a love of the outdoors and a passion to share this with our guests. ROW offers a great opportunity to see a variety of Idaho rivers. We offer competitive wages, free housing or camping, free trips for friends and families and an environment that encourages personal growth. We are looking for guides both with previous experience and those without. We offer a guide school and do provide training.

We found your information after doing research on the web for schools with an Outdoor Recreation or Leisure Studies degree. We were hoping that you would be willing to post the enclosed fliers or pass them out to students who you think might be a good fit at ROW. If you have an online jobs board and can post them electronically we can also send you a digital version.

If you have any questions or need more flyers please feel free to contact me at the phone number or at, [koni@ROWadventures.com](mailto:koni@ROWadventures.com). Thanks again for your consideration.

Yours in Adventure,
