Dear Professor:

I am writing you with a request to extend a very exciting summer opportunity to your students. My name is Christine Krooss, and I am part of the Recreation department at the South Park Ranger District of the Pike National Forest in Fairplay, Colorado. We are planning our internship program for the summer of 2010 that will select five college students to work in the field of recreation management, environmental studies, and interpretive educational programs and gain valuable Forest Service experience (applications for fall internships will also be accepted). This internship will not only offer great hands-on experience within your major, but will also be an exciting opportunity for a student to see a unique and stunning part of the country amongst the Rocky Mountains and Pike National Forest. We will offer free housing and a \$15 per day stipend to the interns. I have enclosed our bulletin with the hope that you may post it for students to read.

Thank you for your assistance. I look forward to hearing from the students at your school. If you have any questions regarding our program, please contact me at (719) 836-2031, or email me at [cmhooper@fs.fed.us](mailto:cmhooper@fs.fed.us).

Sincerely,

Christine Krooss
