

Internship Opportunities

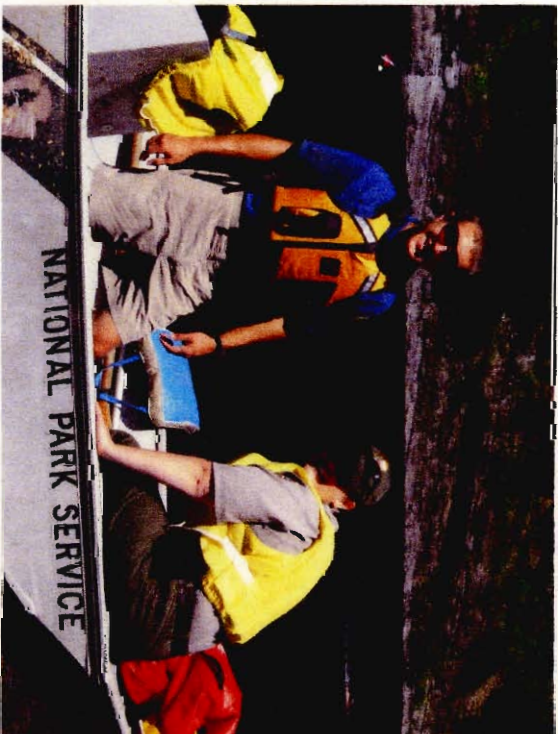

Available with the National Park Service

at

Upper Delaware

Scenic & Recreational River

There will be five Park Ranger Internship positions open for the 2008 summer season along the beautiful Upper Delaware Scenic and Recreational River. The park stretches 73.4 miles along the New York – Pennsylvania border and is one of the longest and cleanest free-flowing rivers in the eastern United States. There is ample opportunity for all types of outdoor recreation including canoeing, kayaking, rafting, fishing, and bird watching. Positions are within the Interpretive Division of the park and include housing and a daily stipend.
