

Internships:

I was writing to touch base in regards to the internship program that UNCG and the YMCA have collaborated on in the past.

I had worked with you last Summer with two students. We had a positive experience with both of these young ladies, and were able to offer them employment last Fall. I have just completed an internship period with a young man from the university's graduate program and again have an opening for an intern with my department.

Please let me know if you have any students who would benefit from an experience with us at the YMCA this Spring or Summer. I am in charge of three departments (Family Services, Aquatics, and Rentals and Special Events), and can provide a wealth of opportunity within that scope. If you have anyone you can recommend for the Spring and/or Summer, please let me know.

James Wright
Sr. Program Director
Bryan Family YMCA
