

Yellowstone National Park

Students will have the opportunity to start their careers and develop interpersonal skills in the world's first national park. Working with people of all ages from 37 different countries and all 50 states, will give students quality work experience. Free time can be spent enjoying Yellowstone's abundant wildlife, two-thirds of the world's geysers and thermal features, and exploring areas that visitors only dream about.

Yellowstone National Park Lodges is operated by Xanterra Parks & Resorts,[®] the nation's largest park-management company, known for their commitment to the environment and guest service. Xanterra's operations span the country - from the subtropical swamplands of the Everglades, to the magical desert of Death Valley to magnificent Yellowstone.

Positions available at Yellowstone very greatly, employees can work in hotels, restaurants, gift shops, recreation, support operations and many other areas. Xanterra operates 31 food locations and 9 lodges within Yellowstone. Xanterra promotes employees heavily from within the company, many members of upper management started in entry-level positions. We are an Affirmative Action employer and provide Equal Opportunity Employment. Ideal candidates are able to begin work in early May or continue into October, (students wishing to work only during the summer months should apply early).

Job benefits include:

- Affordable on-site housing
- Free uniforms
- Free educational and interpretative programs
- Employee recreation program
- Employees working at least nine months per year can become eligible for health insurance, paid vacation, holidays, and other benefits.

Interested students should visit: www.yellowstonejobs.com, which provides a full list of our employment opportunities as well as information about living, working and playing in Yellowstone.
