

THE UNCG GERONTOLOGY PROGRAM PRESENTS ...

PACE
OF THE TRIAD

PACE : Program on All Inclusive Care for the Elderly

UNCG faculty and students are invited to hear **Tim Clontz, Executive VP for Health Services at Cone Health** as he introduces the **PACE** model which **integrates acute and long term care for older adults** eligible for both Medicare and Medicaid.

Learn who is eligible, what services are provided, pros and cons of PACE enrollment, issues facing the PACE program at state and national levels, and converse about **local research opportunities** with the PACE program at Cone Health in Greensboro.

Tim Clontz is Chairman of the North Carolina PACE Association and a member of the Public Policy Committee for the National PACE Association. He will present to a joint class session of two UNCG classes: **Long Term Care Public Policy** (GRO 633) and the **Integrative Seminar in Gerontology** (GRO 651). All UNCG faculty and students are invited to join us for his presentation.

THURSDAY, MARCH 15, 4:-00-5:00 P.M.

UNCG, ELLIOTT UNIVERSITY CENTER, AZALEA ROOM
