

## UNCG Student Study Abroad and Exchange Conduct Pledge

### *The International Programs Center*

As a participant in an international exchange/study abroad program of The University of North Carolina at Greensboro, I understand the importance of my being a good representative of UNCG.

Specifically, I acknowledge the importance of observing the laws of my host country and the student conduct code of my host university. In addition, I realize that, as a participant in an official UNCG program, I will remain subject to the UNCG Student Code of Conduct, as well as all other UNCG policies applicable to student behavior, during my period of international exchange/study abroad. I further agree to comply with any and all supplemental rules or standards adopted by UNCG for the program in which I am participating should UNCG provide such rules.

I agree that UNCG has the right to enforce all of the standards of conduct, rules and regulations described above. I further agree that if I violate those standards, rules or regulations, I may incur action, including immediate dismissal from the program. The Program Director will provide notice of the allegation, an opportunity to respond, and take action based upon available evidence. I understand that if I am incapacitated and unable to respond, the Program Director may act upon available evidence. Action taken by the Program Director is final. I recognize that due to the circumstances of foreign travel and foreign study programs, procedures for notification and time frames for response may vary. If I am excluded from the program, I consent to my dismissal from all aspects of the program, including housing, at my own expense with no refund of fees or expenses.

I realize that, should I commit an offense while overseas, I may be subject to legal action and/or judicial proceedings in my host country. I understand that should my offense be sufficiently serious in the judgment of my host university or the Program Director, the host university or Program Director has the authority to terminate my participation in the study abroad program. Should the offense be of a criminal nature, I further understand that I may be prosecuted under the laws of the host country, and that UNCG may be powerless to intercede on my behalf.

In addition, should I violate the UNCG Student Code of Conduct or other UNCG policies applicable to student behavior while overseas, I understand that UNCG may take conduct action against me prior to or upon my return to campus, at UNCG's discretion.

In acknowledgment of the gravity of the above, I solemnly pledge to conduct myself overseas in a manner that reflects credit to my home country, state, and UNCG.
