What the Insurer Pays for Covered Medical Expenses: If a Covered Person incurs expenses while insured under the Policy due to an Injury or a Sickness, the Insurer will pay the Reasonable Expenses for the Covered Medical Expenses listed below. All Covered Medical Expenses incurred as a result of the same or related cause, including any Complications, shall be considered as resulting from one Sickness or Injury. The amount payable for any one Injury or Sickness will not exceed the Maximum Benefit of \$100,000 per Injury or Sickness for the Eligible Participant or the Maximum Benefit of \$100,000 per Injury or Sickness for an Eligible Dependent. Benefits are subject to the Deductible Amount, Coinsurance and Maximum Benefits stated in the Schedule of Benefits, specified benefits and limitations set forth under Covered Medical Expenses, the General Policy Exclusions and to all other limitations and provisions of the Policy.

Covered General

Medical Expenses and Limitations: Covered Medical Expenses are limited to the Reasonable Expenses incurred for services, treatments and supplies listed below. All benefits are per Injury or Sickness unless stated otherwise.

No Medical Treatment Benefit is payable for Reasonable Expenses incurred after the Covered Person's insurance terminates as stated in the Period of Coverage provision. However, if the Covered Person is in a Hospital on the date the insurance terminates, the Insurer will continue to pay the Medical Treatment Benefits until the earlier of the date the Confinement ends or 31 days after the date the insurance terminates.

If the Covered Person was insured under a group policy administered by the Administrator immediately prior to the Policy Effective Date, the Insurer will pay the Medical Treatment Benefits for a Covered Injury or a Covered Sickness such that there is no interruption in the Covered Person's insurance.

- **Physician office visits.**
- **Hospital Services:** Inpatient Hospital services and Hospital and Physician Outpatient services consist of the following: Hospital room and board, including general nursing services; medical and surgical treatment; medical services and supplies; Outpatient nursing services provided by an RN, LPN or LVN; local, professional ground ambulance services to and from a local Hospital for Emergency Hospitalization and Emergency Medical Care; x-rays; laboratory tests; prescription medicines; artificial limbs or prosthetic appliances, including those which are functionally necessary; the rental or purchase, at the Insurer's option, of durable medical equipment for therapeutic use, including repairs and necessary maintenance of purchased equipment not provided for under a manufacturer's warranty or purchase agreement.

The Insurer will not pay for Hospital room and board charges in excess of the prevailing semi-private room rate unless the requirements of Medically Necessary treatment dictate accommodations other than a semi-private room.

- **Additional Covered General Medical Expenses and Limitations:** These additional Covered Medical Expenses are limited to the Reasonable Expenses incurred for services, treatments and supplies:

- Pregnancy
- Annual cervical cytology screening for cervical cancer and its precursor states for women age 18 and older
- Mammography screening, when screening for occult breast cancer is recommended by a Physician
- Colorectal cancer screenings
- Diabetic Supplies/Education
- Prostate screening tests
- Reconstructive Surgery Following Mastectomy
- Contraceptives
- Osteoporosis/Bone Mass Measurement
- Newborn Hearing Screening
- Clinical Trials
- Anesthesia and Hospitalization for Dental Procedures
- Complications of Pregnancy
- Surveillance tests for ovarian cancer

Accidental Death and Dismemberment Benefit

The Insurer will pay the benefit stated below if a Covered Person sustains an Injury in the Country of Assignment resulting in any of the losses stated below within 365 days after the date the Injury is sustained:

Loss	Benefit
Loss of life	100% of the Principal Sum
Loss of one hand	50% of the Principal Sum
Loss of one foot	50% of the Principal Sum
Loss of sight in one eye	50% of the Principal Sum

Loss of one hand or loss of one foot means the actual severance through or above the wrist or ankle joints. Loss of the sight of one eye means the entire and irrecoverable loss of sight in that eye.

If more than one of the losses stated above is due to the same Accident, the Insurer will pay 100% of the Principal Sum. In no event will the Insurer pay more than the Principal Sum for loss to the Covered Person due to any one Accident. The Principal Sum is stated in Table 1 of the Schedule of Benefits.

Medical Evacuation and Repatriation or Remains Visit Benefits

Medical evacuation and repatriation expenses for insured student, scholars, and their dependents *must* be arranged for and approved in advance by HTH Worldwide.

MEDICAL EVACUATION BENEFIT If a Covered Person sustains an Injury or suffers a sudden Sickness while traveling outside his/her Home Country, the Insurer will pay the Medically Necessary expenses incurred, up to the lifetime Maximum Limit for all medical evacuations shown in Table 1 of the Schedule of Benefits, for a medical evacuation to the nearest Hospital, appropriate medical facility or back to the Covered Person's Home Country. Transportation must be by the most direct and economical route. However, before the Insurer makes any payment, it requires written certification by the attending Physician that the evacuation is Medically Necessary. Any

expenses for medical evacuation require the Insurer's or the Administrator's prior approval. No benefits are payable under any other provision of the Policy for expense incurred by the Covered Person on and after the date of the evacuation.

- **REPATRIATION OF REMAINS BENEFIT** If an Injury or a Sickness results in the Covered Person's loss of life outside his/her Home Country, the Insurer will pay the Reasonable Expense incurred for cremation or for preparation of the body for burial in, and for transportation of the body to, the Home Country up to the maximum stated for this benefit in Table 1 of the Schedule of Benefits. Payment of this benefit is subject to the Limitations and Conditions on Eligibility for Benefits. No benefit is payable if the death occurs after the Period of Coverage Termination Date. However, if the Covered Person is Hospital Confined on the Period of Coverage Termination Date, eligibility for this benefit continues until the earlier of the date the Covered Person's Confinement ends or 31 days after the Period of Coverage Termination Date. The Insurer will not pay any claims under this provision unless the expense has been approved by either the Insurer or the Administrator before the body is prepared for transportation.

- **BEDSIDE VISIT BENEFIT** If the Covered Person is Hospital Confined due to an Injury or Sickness for more than seven (7) days while traveling outside his/her Home Country, the Insurer will pay up to a maximum benefit of \$1,500 for the cost of one economy round-trip air fare ticket to, and the hotel accommodations in, the place of the Hospital Confinement for one person designated by the Covered Person. With respect to any one trip, this benefit is payable only once for that trip, regardless of the number of Covered Persons on that trip. No more than one (1) visit may be made during any 12 month period. No benefits are payable under this provision prior to the end of the seven (7) day Hospital Confinement. No benefits are payable unless the trip is approved in advance by the Administrator.

ADDITIONAL BENEFITS

HTH Worldwide plans feature HTH Worldwide's **Global Health and Safety Services** – online tools and toll-free assistance to help members manage their health and safety risks, from finding the right doctor to receiving real-time alerts and advice on health and security threats. These international medical assistance services include:

- **Medical Emergency Contingency Plan**

HTH coordinates emergency services with a worldwide network of 100 contracted International Physician Advisors as well as air ambulance operators selected for their safety records. Members in need of life-saving medical intervention are treated in Centers of Excellence in the U.S. and around the world whenever possible.

HTH has also designed a database of medical evacuation contingency plans to help travelers and expatriates better understand their evacuation options in case of a medical emergency. The web tool in development identifies likely evacuation plans for over 200 countries, including appropriate destination countries, notable hospitals and air ambulance choices.

- **An Elite International Provider Community** HTH Worldwide's expanding International Provider Community includes over 5,400 carefully-selected, individually-contracted, English-speaking doctors, dentists and behavioral health practitioners in over 180 countries. Less than 2% of providers outside the U.S. qualify to participate in the HTH Community. Currently covering over 100 clinical specialties and subspecialties, the Provider Community database is searchable online and contains a biographical profile on each provider. HTH also offers around-the-clock service for making appointments with participating providers. The HTH Worldwide's Contracted Facility Community is expanding to anticipate client needs. HTH is currently contracted with 1,098 facilities in 182 countries.
- **Personalized Recruitment** If an HTH Worldwide member needs a specialist in an area not currently covered by the HTH Provider Community, HTH will recruit an appropriate, qualified doctor. Working with the HTH International Physician Advisor, HTH consults local HTH physicians and facilities, HTH's internal database of over 14,500 Pre-Qualified Providers to identify appropriate options.
- **Personal Safety Intelligence** HTH Worldwide maintains unsurpassed resources designed to promote personal safety by giving HTH Worldwide members convenient access to vitally important news, health and safety analysis and medical translation tools:
 - Global Health and Safety news alerts published daily and delivered by email.
 - Security Profiles for over 224 locations in 128 countries outside the U.S.
 - Brand name equivalents for over 350 common over-the-counter and prescription drugs in 25 of the most frequently visited countries.
 - Translation of hundreds of medical terms and phrases into the most widely spoken languages.
 - Expert advice on how to travel safely and stay healthy.

In the event of an emergency, North Carolina students should go immediately to the nearest physician or hospital and then contact HTH's emergency assistance service, identifying themselves as a member of University of North Carolina group plan. HTH Worldwide, in conjunction with its assistance providers, will continuously monitor the student's medical situation, and provide care options, if appropriate.

- **Toll Free Inside the U.S.** -1.800.257.4823

If you are in need of non-emergency medical care overseas, first contact your Resident Director or your host institution contact person who can help you locate a medical facility.

If you have Internet access, then log on to hthstudents.com, and using the instructions in this guide, locate a physician near you. HTH has already identified and certified physicians who can provide medical care in many study abroad destinations. If you have difficulty locating medical care, contact HTH directly. The numbers for HTH are on the back of your medical insurance ID card and are contained in this guide in the Important Telephone Numbers section.

DEFINITIONS

Accident (Accidental) means a sudden, unexpected and unforeseen, identifiable event producing at the time objective symptoms of an Injury. The Accident must occur while the Covered Person is insured under the Policy.

Covered Medical Expense means an expense actually incurred by or on behalf of a Covered Person for those services and supplies which are: 1. administered or ordered by a Physician; 2. Medically Necessary to the diagnosis and treatment of an Injury or Sickness; 3. are not excluded by any provision of the Policy; and incurred while the Covered Person's insurance is in force under the Policy, except as stated in the Extension of Benefits provision. A Covered Medical Expense is deemed to be incurred on the date such service or supply which gave rise to the expense or charge was rendered or obtained. Covered Medical Expenses are listed in Table 3 and described in Section 2.

Emergency Hospitalization and Emergency Medical Care means hospitalization or medical care: 1. That is provided for an Injury or a Sickness caused by the sudden, unexpected onset of a medical condition with acute symptoms of sufficient severity and pain to require immediate medical care; and 2. In the absence of which one could reasonably expect that one or more of the following would occur: a.) The Covered Person's health would be placed in serious jeopardy. b.) There would be serious impairment of the Covered Person's bodily functions. c.) There would be serious dysfunction of any of the Covered Person's bodily organs or parts.

Injury means bodily injury caused directly by an Accident. It must be independent of all other causes. To be covered, the Injury must first be treated while the Covered Person is insured under the Policy. A Sickness is not an Injury. A bacterial infection that occurs through an Accidental wound or from a medical or surgical treatment of a Sickness is an Injury.

Medically Necessary means services or supplies which are provided for the diagnosis, treatment, relief or cure of a disease, Injury, illness, or health condition and which satisfy all of the following: a.) it is the experimental, investigational, or cosmetic purposes; and b.) it is necessary for and appropriate to the diagnosis, treatment, relief or cure of disease, Injury, illness, health condition or its symptoms; and c.) it is consistent with recognized standards which are generally accepted by the United States medical community as effective for diagnosis, relief, cure or treatment; and d.) it is not provided solely for the convenience of an insured, family member, or provider.

Reasonable Expense means the normal charge of the provider, incurred by the Covered Person, in the absence of insurance, 1.) for a medical service or supply, but not more than the prevailing charge in the area for a like service by a provider with similar training or experience, or 2.) for a supply which is identical or substantially equivalent. The final determination of a reasonable and customary charge rests solely with the Insurer.

Sickness means an illness, ailment, disease, or physical condition of a Covered Person starting while insured under the Policy.

LIMITATIONS AND EXCLUSIONS

PRE-EXISTING CONDITION LIMITATION

Pre-existing conditions **are** covered under this plan.

GENERAL POLICY EXCLUSIONS
