

CHANGED DEADLINE!
INSTRUCTIONS FOR ABSTRACT SUBMISSION
(Abstracts are now due Dec 14, 2007)

ACL Research Retreat, IV
ACL INJURIES: THE GENDER BIAS
April 3rd - 5th, 2008
Greensboro, North Carolina

MEETING DETAILS:

This meeting will feature presentations by well known experts in the field and 15-minute podium presentations of research relating to gender bias in ACL injuries. Significant time will be provided for group discussion following each keynote and each group of podium presentations. At the conclusion of the meeting our goal will be to revisit and update the consensus statement from the 2006 research retreat based on progress in the field.

CONTENT:

All abstracts must be research-based and be related to the issue of the gender bias in ACL injuries. Topics relating to structural, biomechanical, neuromuscular or hormonal factors, and covering areas of screening, prevention and rehabilitation would all be appropriate.

ABSTRACTS RECENTLY PRESENTED ELSEWHERE (WITHIN THE PREVIOUS YEAR) MAY BE SUBMITTED FOR REVIEW.

(Please indicate at the bottom of the abstract where the abstract was previously presented)

FORMAT:

Abstracts should be one (1) page in length with one-inch margins on all sides. No less than a 11 point font should be used. The title should be centered on the top line in Capital letters. The author(s) and their affiliations should be placed on the second and third lines, respectively. The following section headings should be in Capital Letters and left justified: Introduction, Methods, Results, Discussion, and Conclusions.

NOTE: Abstracts that do not comply with this format will be returned.

SUBMISSION:

An original and one blinded copy of the abstract (authors and affiliations removed) with 'acl abstract' in the subject line should be emailed to:
anrl@uncg.edu

Abstracts are now due Dec 14, 2007. Abstracts will be reviewed for both content and scientific merit and notification will be given to authors no later than Jan 10, 2008. Please include your mailing and email address along with your phone and fax numbers in your email communication.
