Students who plan to take one or more qualifying exams in a given semester must submit this form to the graduate director by reading day of the Spring semester for May exams, or by reading day of the Fall semester for January exams.

- Exams will be scheduled by the graduate director after reading day. May exams usually occur within two weeks of the end of Spring Final Exams. January exams usually occur the week prior to the start of the Spring semester.

- A student who decides not to take an exam after applying to take it must inform the graduate director in writing or by email at least one week before the scheduled date of the first exam to be given that semester.

- An exam missed without timely notification will be counted as a failed attempt.

Examination(s) to be taken:

- Linear Algebra
- Mathematical Analysis
- Mathematical Statistics

Month of examination(s):  January  May

I have read and understand the information contained on this application.
