The Department of Mathematics and Statistics at the University of North Carolina at Greensboro seeks to hire a Visiting Assistant Professor in Mathematics for the 2017-18 academic year. Opportunities exist to teach both upper-level and lower-level mathematics courses. The teaching load will be two courses each semester. Active research and service in the department are expected. The position requires a Ph.D. degree in Mathematics.

Questions and informal inquiries may be directed to Dr. Maya Chhetri (maya@uncg.edu), the Chair of this Search. Application materials (including cover letter, vita, a teaching statement and a research statement) should be emailed to: mathposition@uncg.edu. Also, kindly arrange for three recommendation letters to be emailed to mathposition@uncg.edu.

Review of applications will begin on June 5, 2017.

Kindly see the job posting of non tenure-track positions at UNCG at: https://jobsearch.uncg.edu/postings/8016.
