

UNCG Dietetic Internship Verification Statement Policy:

Upon completion of all requirements of the DI program, the DI Program Director will issue a Verification Statement containing the intern's name, social security number, date of completion of all program requirements, program name and program identification number, program director name, address, date of form preparation, and original signature in an ink color other than black. This Verification Statement is an official document of the Commission on Accreditation for Dietetics Education (CADE) and is required to verify that all requirements for accredited Dietetic Internship programs have been completed.

Each intern will receive six (6) copies of this DI Verification Statement for her/his files and use. The Verification Statement can be used as proof of completion of all DI program requirements when the program graduate is applying for employment, licensure, or other professional use that may require verification of completion of a DI program.

Two (2) copies of each program graduate's DI Verification Statement will be kept in the permanent files of the program in compliance with CADE accreditation standards.
