E. Kohlenberg PI. (2004). *Project Health for Online Nursing Education Program.* L. L. Ivanov consultant. Department of Labor \$247,800.

Ivanov (1997). Global Initiative Faculty Grant, Purdue University. Develop seminar and presentation on *Public Health Nursing for Nursing Educators.* St. Petersburg, Russia (\$2,000).

Ivanov (1995). MUCIA Travel Grant, Purdue University. Consult with the WHO Healthy Cities Project Director (Copenhagen, Denmark) and St. Petersburg Healthy Cities Project Manager (St. Petersburg, Russia) on research findings and implications of study *Characteristics of Prenatal Care Delivery System, Pregnant Women, and Patient Satisfaction as Predictors of Prenatal Care Utilization in St. Petersburg Russia* (\$2,000).

Dennis (1992). Purdue Research Foundation. Internship, funding for travel to the WHO Regional Office for Europe in Copenhagen, Denmark and St. Petersburg, Russia (\$2,000).

Dennis (1992). Purdue Research Foundation. Research presentation *New Mom Survey at the WHO International Consensus Conference, Giving Birth to a Healthy Child,* St. Petersburg, Russia (\$2,000).

Research Proposals Submitted, but not funded

L. L. Ivanov PI. (2002). *Immigrant Women's Satisfaction with Prenatal Care.* Agency for Health Research and Quality (AHRQ). \$100,000 requested.

L. L. Ivanov PI (1999). *Patient Satisfaction With Prenatal Care Services in Russia.* Agency for Health Care Policy and Research (AHCPR). \$50,000 requested.

Doctoral Dissertation

Characteristics Of Pregnant Women As Predictors Of Utilization Of Prenatal Care Services And Satisfaction With The Services In St. Petersburg Russia.

Research Interests

Health services research investigating effects of migration on access and quality of health care services for Russian-speaking immigrant women in the US; prevalence of the metabolic syndrome in Russia and among Russian-speaking immigrants in the US; national and international health care policy; public health nursing.

Current Research Endeavor

Analyzing data on study *Acculturation and Use of Preventive Healthcare Services Among Women from the Former Soviet Union*. Analyzing data on the metabolic syndrome and cardiovascular health among patients at the Kuzmolovsky, Russia health care clinic. Coordinating community and educational initiative with the *Guilford Genomic Medicine Initiative Grant* from the Department of Defense.
