

National League for Nursing Vision:

We have a clear vision of the NLN in the year 2018 (our 125th anniversary) as a relevant, viable organization with an unbroken record of leadership in nursing education.

National League for Nursing Mission:

To advance quality nursing education that prepares the nursing workforce to meet the needs of diverse populations in an ever-changing health care environment.

National League for Nursing Goals:

1. Nursing Education: The NLN will lead in setting standards that advance excellence and innovation in nursing education.
2. Faculty Development: The NLN will lead in promoting the professional growth and continuous quality improvement of educators who prepare the nursing workforce.
3. Nursing Education Research: The NLN will lead in promoting evidence-based teaching in nursing and the ongoing development of research that informs and improves nursing education.
4. Data Collection: The NLN will be the authority in providing and interpreting comprehensive nursing workforce supply information.
5. Assessment and Evaluation: The NLN will develop and provide comprehensive services to the nursing community that evaluate and assess educational outcomes and practice competencies for quality nursing care.
6. Public Policy: The NLN will advocate for all types of academic and lifelong learning programs in nursing.
