

U407 COMMUNITY HEALTH EDUCATION CONCENTRATION SEQUENCE (122 hours)

B.S. degree in Public Health Education (as of Fall 2009)

This is a recommended sequence that should serve as just a guide, not an absolute. The PHE major courses beginning your junior year are set in stone; however, the health electives, GEC and Health-related Areas can be shuffled based on your interests and schedule. You may need to fit in additional courses if you are a second-major or have an additional minor. You may have other requirements such as marker courses and deficiencies to include as needed.

FRESHMAN YEAR					
FALL			SPRING		
GEC 1	GEC	3	GEC 4	GEC	3
GEC 2	GEC	3	GEC 5	GEC	3
GEC 3	GEC	3	ENG 101	GRD/HRA	3
