

## SHARON D. MORRISON

Department of Public Health Education  
437 HHP BLDG, PO Box 26170  
University of North Carolina at Greensboro  
Greensboro, NC 27402

Tel: (336) 334-3243  
Fax: (336) 334-3238  
E-mail: sdmorri2@uncg.edu

### EDUCATIONAL EXPERIENCE

- 1998            PhD, Health Behavior, Minor: Medical Anthropology  
                  Department of Health Education and Behavior, University of Florida
- 1998            Graduate Certificate, Latin American Studies  
                  Center for Latin American Studies, University of Florida
- 1994            MHSE, Health Science Education,  
                  Department of Health Education and Behavior, University of Florida
- 1990            MSPH, Parasitology and Laboratory Practice,  
                  Gillings School of Global Public Health, University of North Carolina at Chapel Hill
- 1988            BS, Biology,  
                  Barry University, Florida
- 1981-86        Courses toward the BS in Zoology,  
                  University of the West Indies, Jamaica

### CERTIFICATION

- 2009-2011     CPR and AED (Adults, Children and Infants)  
2009-2012     Basic First AID (Adult and Pediatric)  
2004            NC HIV/AIDS Counseling, Testing and Referral Training, NC  
1999            Florida AIDS Education and Training, FL

### TRAINING

- 2004            Certificate, Thinking Qualitatively Training  
                  International Institute for Qualitative Methodology, University of Alberta, Canada
- 1994            Diploma, Sexualidad y ETS/SIDA en Adolescentes Rurales,  
                  Instituto Nacional de Salud Publica, Cuernavaca, Mexico
- 1993            Certificate, Spanish Language and Mexican Culture,  
                  Universidad Autonoma de Yucatan, Mexico

### UNIVERSITY APPOINTMENTS

- 2007-present   Associate Professor  
                  Department of Public Health Education  
                  University of North Carolina, Greensboro, NC
- 2007-2010     Director, The Undergraduate Program,  
                  Department of Public Health Education  
                  University of North Carolina, Greensboro, NC

- 2006-present Research Fellow, Center for New North Carolinians  
University of North Carolina, Greensboro, NC
- 2001-2007 Assistant Professor, Department of Public Health Education  
University of North Carolina, Greensboro, NC
- 1998-2001 Assistant Professor, Department of Health Professions  
(Joint Appointment, School of Nursing), University of Central Florida, Orlando, FL
- 1996-1998 Graduate Teaching Assistant, Department of Health Science Education  
1992-1994 University of Florida, Gainesville, FL
- 1994 (Summer) Research Intern, Centro de Investigacion en Salud de Comitan, Mexico
- 1993(Winter) Research Intern, Centro Materno Infantil, Merida, Yucatan, Mexico

### **TEACHING EXPERIENCE**

#### *Department of Public Health Education, UNCG*

- Public Health Diseases (Formerly Disease Processes) (Undergraduate)
- Health Issues of Lower Income Groups (Undergraduate)
- International Health (Undergraduate)
- Service Learning in International Health: Zambia (Undergraduate and Graduate)
- Global Health in Action (Undergraduate Honors Seminar)
- Global Health Issues (Graduate)
- Immigrant and Refugee Health (Graduate/Undergraduate)
- Independent Study: Women's Health Issues in the Caribbean (Graduate/Undergraduate)
- Independent Study: Traditional Eating Patterns of Mexicans (Graduate)
- Independent Study: HIV and Immigrants/Refugees (Undergraduate)
- Independent Study: Cultural Issues in HIV Voluntary Counseling and Testing (Graduate)
- Independent Study: Refugee Resettlement and Health (Undergraduate)
- Independent Study: Qualitative Health Data Analysis (Graduate)
- Independent Study: HIV Counseling, Testing and Referral (CTR) Practices (Undergraduate)
- Independent Study: Qualitative interviewing with Immigrants (Undergraduate)

#### *Department of Health Professions, Health Services Administration Program, UCF*

- Community Health Services (Undergraduate)
- Epidemiology (Graduate & Undergraduate)
- International Health Systems (Graduate)
- Independent Study: Meningitis Immunization and College Health (Undergraduate)

#### *Department of Health Science Education, UF*

- Personal and Family Health (Undergraduate)
- Human Sexuality Education (TA)
- Health Education in Elementary Schools (TA)

### **RESEARCH INTERESTS**

International/Transnational health, HIV/AIDS prevention in international populations and settings, cultural adaptation and immigrant and refugee health outcomes; community-based participatory research, applied anthropological field methods, service-learning

Published in the proceedings of the *29th Annual International Conference on Anti-microbial Agents and Chemotherapy*, September, 1989.

### **MANUSCRIPTS UNDER REVIEW**

**Morrison, S. D.** and Sudha, S. Barriers and Enablers to HIV testing among Latina immigrant women in Central North Carolina. (revise and resubmit)

### **MANUSCRIPTS IN PROGRESS**

**Morrison, S.D.** “Life here is stressful!”: Cultural adaptation challenges and health concerns of transnational African immigrant women in the US Southeast *Health Care for Women International*

Desai, K & **Morrison, S.D.** Tribal affiliation and HIV/AIDS prevention among African immigrant college-age women.

### **GRANTS**

- |      |  |
|------|--|
| 2011 | Primary Investigator (30%), <i>Enablers of HIV testing decision-making in Hispanic/Latino Women in the US South</i> . (\$128,000). This was part of the initial P20 grant, NCMHHD- (NIH), and re-approved for funding starting 2011.                             |
| 2010 | Primary Investigator, Post-resettlement Health Care Needs in the Greensboro Community. CBPR grant, Office of Leadership and Service Learning, UNCG, (\$1000)   |
| 2008 | Primary Investigator, HIV Stigma and French-speaking African Immigrants<br>Formative research to examine stigma and HIV testing Perceptions among Francophone African Immigrants. Office of Leadership and Service Learning, UNCG, (\$1000).                     |
| 2007 | Co-Investigator (20%), Parent Empowerment Groups (PEG) for LEP Immigrant Communities. Developing, implementing and evaluating parent support groups for ethnic immigrant families in Guilford County, NC. Guilford County Partnership for Children. (\$37,000)   |
| 2007 | Primary Investigator/Project Director (30%), <i>Enablers of HIV testing decision-making in Hispanic/Latino Women in the US South</i> . (\$128,000). This is part of a larger P20 grant, NCMHHD-National Institutes of Health (NIH), (\$6,589,757). Initial award |
| 2006 | Co-Investigator (20%), <i>Ethnic Community Strategies for Immigrant Child Development</i> . Project to identify childcare and education preferences of immigrant families in Guilford County, NC. Guilford County Partnership for Children. (\$30,750)           |
| 2005 | Co-Principal Investigator (18.75%), <i>The Immigrant VCT Access Project</i> , Pilot project to   |

- extend HIV testing and counseling services to African and Latino communities in Guilford County. Collaboration with UNCG's Center for New North Carolinians (CNNC) and funded by Guilford AIDS Partnership (GCAP). (\$43, 000)
- 2003-2005 Principal Investigator (18.75%), *Social Capital and HIV Literacy in African and Hispanic Immigrant Women*. Pilot research project in TRIAD Project for Health Disparities to explore the link between social capital and HIV literacy among African and Latina immigrant women. Funded by the National Center for Minority Health and Health Disparities (NIH), R24 EXPORT. (\$31,993)
- 2003-2004 Co-Principal Investigator (20%), *Cultural Adaptation Resources Planning (CARP) Grant*. Project to assess resources available to assist newly arrived and recent immigrants with cultural adaptation and maintaining nutrition, health and well-being. Funded by UNCG's External Proposal Development Incentive Program (EPDIP). (\$46,530)
- 2003 Principal Investigator, *Community, Social Capital and HIV/AIDS Prevention Among Bahamian Girls*. Project to examine the link between social capital and HIV awareness among schoolgirls (of African decent) who are residing in economically disadvantaged rural settings in the Caribbean. Funded by the Center for Women's Health and Wellness, UNCG. (\$2,500)
- 2001-2003 Principal Investigator, *Health Literacy For Life (for Immigrant Women)*. Project to develop and pilot test a health education curriculum for limited English-speaking immigrant women attending ESL classes at a local multicultural library in Greensboro, NC. Funded by Moses Cone-Wesley Long Community Health Foundation, NC. (\$20,000)
- 2001-2002 Co-Investigator (20%), *The Problem of Uncompensated Care in Florida Hospital Systems*. Project to assess the impact of treating uncompensated and primary care patients in emergency room settings on hospital and community resources. Funded by Florida Hospital System. (\$48,000)
- 2001 Evaluator, *STRIKE: Student Tobacco Reform Initiative*. Role was to assess and document the outcomes of a college-centered Tobacco use prevention program. Division of Tobacco Awareness, Florida Department of Health (\$5,000)
- 1999-2000 Principal Investigator, *Evaluating the effect of internet based affective Learning on college students' HIV related perceptions and protective behaviors*. Project to assess the outcomes of using on-line technology to educate college students about HIV risks and prevention. University of Central Florida In-House Grants Program, (\$4560)
- 1997 Principal Investigator, *AIDS-related knowledge, beliefs, sexual practices, Community perceptions and selected enablers of young adults in Eastern rural Jamaica*. Project to explore the HIV/AIDS related issues of Caribbean young adults. Funded by Center for Latin American and Caribbean Studies, University of Florida, (\$1,000)
- 1994 Investigator, *Gender and reproductive health in rural Mexico*, Centro de Investigacion en Salud de Comitán, Chiapas, Mexico. Project to explore factors associated with reproductive health issues among rural Mexican women. Graduate School and Department of Health Science Education, University of Florida. (\$1000)

**UNFUNDED PROJECTS**

2005 Principal Investigator, *Media and Performing Arts and HIV/AIDS Outreach in South Africa*. Field research to explore role of mass media and cultural performances in addressing HIV awareness and prevention in South Africa. Collaboration with the Department of Visual and Performing Arts, and Mass Communication and Journalism, at North Carolina A & T State University, Greensboro, NC.
