

**Help your child reach higher!**

# UNCG DREAM CAMP

**Reach Higher!**

## **A Day Camp For Children With Asperger's Disorder**

**DREAM Camp** is a day camp designed for children with Asperger's Disorder. Camp is designed for children aged 6 to 16.

**DREAM Camp** is a therapeutic and recreational summer program. The main focus of the camp is to enhance social skills, helping children cope with the common challenges they face. Campers will also enjoy art, music and outdoor activities!
