

ASHBY RESIDENTIAL COLLEGE ACADEMIC REFERENCE FORM

(One reference is required, two references are optional.)

The *Ashby Residential College* of UNCG was created to provide a setting which encourages innovative study, small classes, unity of academic and social experiences, and close student-faculty contacts. It is primarily a two-year program for first and second year students with a limited number of upperclassperson mentors. Members of the program live and have classes in a coed dormitory. A full-time counselor resides within the dorm, and faculty members have offices in the residence hall.

Faculty members from many different departments and schools teach in the *Ashby Residential College*, and courses meet liberal arts degree requirements. Students choose six to nine hours of classes from *Ashby Residential College* offerings of interdisciplinary core courses and seminars based in a student-centered environment. The students' other classes are taken in the University outside the *Ashby Residential College*.
