

21st Century Skills Conference for High School Teachers

UNCG and School Districts in Partnership to Strengthen Teaching & Learning

- Themes:** Global Awareness, Civic Literacy, Health Literacy, and Financial, Economic, Business, and Entrepreneurial Literacy
- Location:** Sheraton Imperial Hotel & Conference Center
4700 Emperor Blvd, Durham, NC 27703 (Phone: 919-941-5050)
- Date:** Friday, November 20, 2009
- Time:** 7:45 am—4:30 pm
- Who:** Classroom Teachers, Lead Teachers, and Curriculum Specialists in Alamance, Chatham, Durham and Orange Counties
A three to six person interdisciplinary team, including a school administrator, from each high school is encouraged to attend. Each team needs to bring one laptop with wireless capability.

Teacher Benefits

- Knowledge about interdisciplinary themes that impact 21st century teaching and learning
- Exploration of themes through real world integrated project examples
- Resource links to expand the teaching toolbox
- Networking with other teachers of the same discipline and across disciplines as well as with UNCG domain specialists
- Planning time with an interdisciplinary team from your school
- Connection to the North Carolina Professional Teaching Standards—A New Vision of Teaching
- Opportunity to make a contribution to and reference online professional development resources
- Paid cost of substitute for Friday, November 20
- CEU Certificate
