

Jason T. Black

<http://www.cis.famu.edu/~jblack>

Professional Preparation

Florida A&M University	Computer Information Systems	B.S.	1991
Georgia Institute of Technology	Computer Science	M.S.	1992
Florida State University	Computer Science	Ph.D.	2004

Appointments

- Assistant Professor, Florida A&M University, since August 2002.
- Instructor, Florida A&M University, August 2000 – August 2002.
- Science Academic Coordinator, Florida/Georgia Louis Stokes Alliance for Minority Participation (FG/LSAMP), January 1995 – August 2000.
- Adjust Faculty, Computer and Information Sciences, Florida A&M University, August 1993 – December 1995.
- Computer Programmer I, Florida Department of Highway Safety and Motor Vehicles, Tallahassee, Florida (Computer Programming Division), March 1993 – August 1993.
- GEM Fellow Summer Intern (sponsored by Georgia Institute of Technology), Battelle Pacific Northwest Laboratories, Richland, Washington, May 1991 – August 1992 (Summers only)
- Life Gets Better Scholar Intern, Battelle Pacific Northwest Laboratories, Richland, Washington, June 1987 – August 1991 (Summers only).

Publications:

1. Jason T. Black, Lois Wright Hawkes, Jean-Pierre Ketly, Isaac Johnson II, Marvin Lee: A Paper Prototype Study of the Interface for a Children's Collaborative Handheld Learning Application. *Proceedings: Mobile Human-Computer Interaction – MobileHCI 2004: 6th International Symposium*, Glasgow, UK, September 13 - 16, 2004. 305-309

Synergistic Activities

1. Served as coordinator of Florida-Georgia Louis Stokes Alliance for Minority Participation FG/LSAMP (an NSF concept) for five (5) years
2. Board Member, Florida-Georgia Louis Stokes Alliance for Minority Participation (FG/LSAMP) Faculty Advisory Board, 2000 – present.
3. Mentor for Florida-Georgia Louis Stokes Alliance for Minority Participation (FGSLAMP). Provide research projects for STEM students to promote graduate study.
4. Founded FG/LSAMP Society of Scholars, a student organization for FG/LSAMP students to participate in on-campus and community-wide community service projects (neighborhood cleanup, school tutoring, food drives, etc.).
5. Founded *eX.p.o.s.u.r.e.*, an after-school program designed to reach at-risk youth and expose them to activities to prepare and equip them for success academically, professionally, socially and spiritually, to be conducted jointly in Tallahassee and in Gainesville in collaboration with Dr. Clayton J. Clark, II, University of Florida (development currently in progress).
6. Serve as judge for Harstfield Elementary Science Fair, 2001 – present.

Collaborators

Lois Hawkes, Joeseeph Torgesen (Florida State University), Clayton J. Clark, II (University of Florida), Clement Allen, Deidre Evans, Thorna Humphries, Christy Chatmon (Florida A&M University).

Graduate Advisors

Mike McCracken, Spencer Rugaber (Georgia Institute of Technology), Lois Hawkes, Daniel Schwartz, Dave Riccardi, Ladislav Kohout (Florida State University)

Thesis Advisees (M.S.)
