EXTERNALLY FUNDED GRANTS & CONTRACTS

1. 2007-2012 Co-Investigator, Congregational Social Work Education Initiative. This project trains BSW and MSW students in gerontological practice through preservice training and field internships in central North Carolina congregational faith-based settings (\$380,000). With Prof. K. Jay Poole (PI), and Prof. Ann Pearson.
2. 1997-2006. Co-Investigator--AmeriCorps ACCESS. This Corporation for National Service funded project provided community development, employment and social service assistance to immigrant and refugee communities (Latino, African, Hmong, Cambodian, Lao, Montagnard, and Vietnamese) in North Carolina. (8 year funding amount: \$4,800,000) With Raleigh Bailey, Ph.D.
3. 1998-2000. Principal Investigator—NC Child Welfare Collaborative, UNCG Contract. This project provided training to MSW students in child protective services, adoptions and foster care (\$767,000); Project continues presently under supervision of Susan Dennison, MSW and trains 18-20 students annually in child welfare practice.
4. 1998-1999. Co-Investigator--Family Violence Prevention in Immigrant Families. Funded by the NC Department of Human Resources, this project examined the causes of stress and violence such as post-traumatic stress disorder and underemployment in refugee

- families and provided training and technical assistance to prevent domestic violence among refugee families in North Carolina. (\$24,935) With Jacalyn Claes, Ph.D. and Raleigh Bailey, Ph.D.
5. 1994-1995. Principal Investigator--YouthBuild Planning and Evaluation Project. This City of Greensboro, NC funded project involved the development of a case management model and evaluation plan for serving unemployed homeless youth. Results from this planning contract became part of a federal funding application to HUD. (\$13,728); With T.B. Scullion, Ph.D.
 6. 1994. Principal Investigator--Social Work Educational Traineeships in Child Welfare. This North Carolina State Educational Assistance Authority funded project provided paid traineeship opportunities for BSW students. Research focused on student learning outcomes as part of the traineeship process. (\$16,000); With Carolyn Moore, MSW and Elisabeth Hurd, Ph.D.
 7. 1993-1995. Principal Investigator--Opportunities for Families. This Z. Smith Reynolds/Forsyth County North Carolina funded project examined the impact of systems change strategies and direct service case management interventions upon unemployed, homeless, and welfare-dependent families with the goal of increasing family self-sufficiency. (\$65,000); With T.B. Scullion, Ph.D.
 8. 1993. Principal Investigator--Program Evaluation of Experiment in Self-Reliance, Inc. This project facilitated the internal evaluation of a community action agency's programs by board members of the agency. (\$1,100); With T.B. Scullion, Ph.D.
 9. 1992-1993. Principal Investigator--Program Evaluation of Family Investment Initiative. This Kate B. Reynolds Foundation funded project evaluated an intensive case management service delivery program designed to increase the economic self-sufficiency of low income families. (\$20,000); With T.B. Scullion, Ph.D.
 10. 1990. Co-Investigator--Rural Homelessness in Ohio. This National Institute of Mental Health (NIMH) R01 funded project examined the needs of homeless persons in 21 rural counties over a six month period during 1990-91 (\$354,000); With B. Toomey, Ph.D. and R. First, Ph.D.
 11. 1988-1990. Co-Investigator--Homelessness and the Chronically-Mentally Ill in Lake County, Indiana. This three year NIMH-funded research project evaluated mobile case management service delivery to the homeless mentally ill in an urban northwest Indiana service delivery area. (\$45,000); With R. First, Ph.D.
 12. 1989. Principal Investigator--Case Management in Indiana Area Agencies on Aging. This statewide study funded by the Indiana AAAA sampled the perceptions of case managers in Area Agencies on Aging regarding the goals and functions of case management in work with older persons. The study achieved an 82% response rate of all case managers in Indiana who work in Area Agencies on Aging. (\$1,350)
 13. 1988. Co-Investigator--Evaluation of Richmond Community Schools Zero Base Drop-Out Program. This funded study, using a quasi-experimental design, examined differences between at-risk 6th grade students and traditional 6th grade students on the variables of learning achievement, self-concept, personal control orientation, and parental child-rearing behaviors. (\$2,200); With Carol Browne, Ph.D.
 14. 1988. Co-Investigator. Employee Child Care: Results From An Exploratory Investigation. This study, using an exploratory-descriptive survey methodology, examined the perceived need for a city-sponsored employee child care program by interviewing 179 employees of the City of Richmond, Indiana. (\$8,000)

15. 1987. Principal Investigator. Job Search Discouragement and Unemployed Older Workers. This study, using a static group comparison design, examined differences based on gender and job search status in a sample of 150 men and women, over age 50, who were unemployed and wanted to work full-time. The study was funded by The Ohio State University Research Foundation. (\$10,000)
