ADMINISTRATIVE RESPONSIBILITIES

I was responsible for hiring new faculty and staff, preparing documents for promotion and tenure and all other aspects of personnel management. I prepared documents for North Carolina system's approval to develop a Joint Masters degree in Social Work with North Carolina A&T State University (JMSW). I was part of the Dean's Administrative Council and was responsible for all aspects of program planning and budgeting. I worked with the field director in developing new placements and was responsible for raising funds to support new program efforts. I created documents for an academic professional track that enabled us to hire practitioners with long-term contracts. I am familiar with inter and intra university programming. I am currently a mentor to several faculty members.
