Note: This is not a homework!

Solve the following problems from textbook (See Pages 430-431; exercises for Section 7.2).

Solve some of the exercises in 4.a through 4.f. First choose some that have solutions in the text, solve them without looking at solutions, and compare your answer with textbook’s solution. Then solve some that do not have solutions in text.

Repeat the above with exercises in 5.a to 5.f.

Solve Questions 6.a and 6.b.
