## **OUTREACH**

---

Since 1999 I have served as the Curator of the costume collection of the Consumer, Apparel, and Retail Studies department. Although it is a small collection and used primarily for teaching purposes, the pieces typically have connections to UNCG graduates (formerly the Women's College of NC). Along with accessions and record-keeping tasks, a fundamental aspect of my role as Curator is to respond to periodic requests for lectures or presentations of collection pieces by alumni and community groups.
